The Peace Symbol

The wrong peace symbol – the globally widespread “death rune” which has been fabricated from the Celtic Futhark runes or inverted Algiz rune – is the actual embodiment/quintessence of negative influences and evokes destructive swinging-waves regarding unpeace and hatred, revenge, vice, addictions and bondage, because for many human beings the “death rune” means reminiscence (memories) of the Nazi era, of death and ruin as well as ambitions concerning war, terror, destruction of human achievements, livelihoods as well as global evil unpeace.

Therefore it is of the utmost necessity that the wrong peace symbol, the “death rune”, disappears from the world and that the ur-ancient and correct peace symbol is spread and made known all-over the world, because its central elements reflect peace, freedom, harmony, strengthening of the life power, protection, growth and wisdom, have a constructive and strongly soothing effect, and help peaceful-positive swinging-waves to break through.

Therefore we appeal to all FIGU members, all FIGU-Interessengruppen, Studien- und Landesgruppen as well to all reasonable human beings, who are honestly striving for peace, freedom, harmony, fairness, knowledge and evolution, to do, and give, their best to spread the correct peace symbol worldwide and to bring forth clarification about the dangerous and destructive use of the “death rune”, which in memory of the Nazi crimes collectively furthers deterioration and neglect of character-“ausartung” and terribleness in the reflecting and striving of the human being.
